

Power Climber International Hires Hemant Nagarkar as Commercial Manager, India

November 22, 2011

BRUSSELS/SEATTLE – Power Climber International, a division of SafeWorks, LLC, has recently welcomed Hemant Nagarkar as Commercial Manager, India. Based in the company’s Mumbai location, Hemant is responsible for growing the Power Climber and Power Climber Wind brands throughout India by building and managing a network of dealers, OEMs and commercial partners.

Most recently, Hemant worked as Country Head at Tractel S.A.S. in India. Previously he served as Regional Manager at Demag Cranes & Components India and as Sales Executive at Mitutoyo, selling to the automotive and adjacent industries. He earned his bachelors degree in Production Engineering and his MBA from Nagpur University in India.

“Coming from the access and hoisting industry, Hemant brings extensive technical and commercial expertise to our client base of OEMs and facility owners, professional fleet managers and equipment resellers in the energy, commercial property and infrastructure markets.,” commented Ruben Bake, Vice President & General Manager, SafeWorks International. “As a global operation, we invest in talented individuals like Hemant to make work at height a more reliable experience, to lower the total cost of maintaining these facilities. We welcome Hemant to our team.”
